

CENTRE FOR RESEARCH PROJECTS

ABOUT US

Research and continuing scholarship are the backbones of a university. Traditionally, universities have been centres for research. Though governments have a network of Science and Technology laboratories for research and development, the major base of researchers still remains with the universities. CHRIST (Deemed to be University), Bangalore, under its responsive role and to promote advanced academic research in diverse disciplines, has established the Centre for Research Projects in 2010.

WHAT WE DO?

SEED MONEY SCHEME

The Seed Money Scheme is designed to stimulate competitive research in strategic areas of national or international importance, promote innovative product and technology development, and/or facilitate the start of research programmes that shall potentially develop into creative ventures on their own through external funding.

Objectives:

- ✚ To aid faculty members to start research programmes that have the potential to sustain by attracting funds from external agencies.
- ✚ To test a novel idea and generate preliminary results before submitting proposals to external agencies.
- ✚ To promote inter-faculty collaboration in emerging areas.
- ✚ To promote the generation of IPR and product/process development.
- ✚ To attract and retain talent.

The scheme shall award Seed grants under the following categories:

- | | | | |
|-----------|--|-----------|--|
| 01 | Grants shall be awarded with a maximum grant of Rs 1 lakh | 02 | Grants shall be awarded with a maximum grant of Rs 3 lakhs |
| 03 | Grants shall be awarded with a maximum grant of Rs 5 lakhs | 04 | To encourage collaborative research, if two or more faculty members submit a joint proposal, the grant limit will be Rs 20 lakhs |

The amount of Seed Money provided : 2016-2021

EXTERNALLY FUNDED PROJECTS

External Research Projects funding from Government and Non government and Academic institutions

- Liverpool Hope University

QUALITY INITIATIVES

Train the Training Programme on Project Proposal writing (2021 – 2022)

Training the trainer workshop on PROJECT PROPOSAL WRITING (5 Phases) with selected 34 Faculty members from all deaneries across campuses was conducted from April 2021 - January 2022. The topics covered in all five phases include (i) Elements of Project proposal, (ii) Networking, (iii) Project proposal writing (iv) How to develop project proposals for large grant calls; (v) How to develop proposals for COVID-19 grants; (vi) How to quickly sketch out and construct a project proposal; (vii) Suggestions for starting new research projects in the field of expertise; (viii) Familiarize proposal writing formats with University details; (ix) Preparation of Concept Notes, ToR, Expression of Interest, MoUs, MoAs, and (x) How to prepare collaborative research projects.

Women in R&D

To motivate the female students, researchers and faculties to pursue research and enlighten them with the opportunities available in the Research Forum, Department of Computer Science and Engineering, School of Engineering and Technology, in collaboration with Centre for Research Projects organized a webinar Titled Women in R&D on 28th August 2021. The Programme began with a motivational talk on "Leveraging the existing support system for women to achieve their research goals" by Dr R Manimegalai, Professor and Head, Department of Computer Science, PSG Institute of Technology and Applied Research, Nilambur, Coimbatore. Dr Vandana Reddy, Assistant Professor, Computer Science and Engineering, School of Engineering and Technology, Kengeri Campus coordinated the entire programme on behalf of the Centre.

Orientation programmes on Proposal writing conducted for faculty members of various campuses.

- ✚ School of Law, Lavasa Campus, 26 June, 2021.
- ✚ School of Law, NCR Campus, 30 March, 2022.
- ✚ Faculty members of Yashwantpur campus, 14 July, 2022.
- ✚ Science and social science Faculty members of NCR campus 3 September, 2022

Professional Development Programme on Project proposal Writing & Management: This is a regular training program held in alternate months.

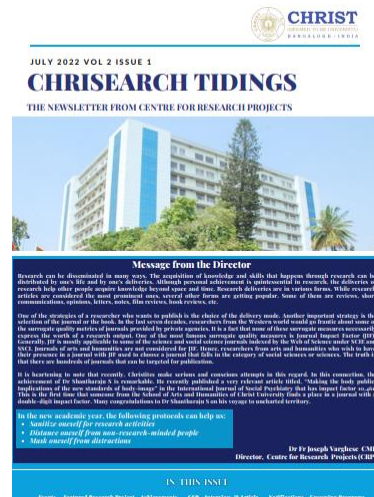

March, May, July , September, 2022
