

## Student Satisfaction Survey (2016-17)

The University considers that students are the most important stakeholders in any educational enterprise. In tune with its vision, the University, since its inception has been striving to provide the best learning environment to its students—a task which is being continuously fine-tuned through a structured feedback system—the Students Satisfaction Survey (SSS)—an annually-implemented mechanism of gathering relevant information from the students on their experience of service provided by the university.
