Message from the Director

Dear Recruiter,

Greetings from CHRIST (Deemed to be University), Pune Lavasa!

CHRIST (Deemed to be University), Pune Lavasa Campus - 'The Hub of Analytics', is truly an exemplar of an international standard Business school. It ensures that the students experience the vibrant energy of academic brilliance, and the university strives to build a strong industry-academia partnership. Our innovative and updated learning models are pivotal in developing holistic future leaders in the field of Business and Management, keeping up to the expectations of the corporate world. We are committed to ensuring the best recruiting experience for our students and producing skilled and productive professionals who can drive organisations.

Fr Dr Jossy George

Director

CHRIST (Deemed to be University), Pune Lavasa

Vision

CHRIST (Deemed to be University), a premier educational institution, is an academic fraternity dedicated to the motto of 'EXCELLENCE AND SERVICE.'

We strive for perfection through an earnest academic pursuit of 'excellence.' Our efforts blossom into 'service' through our creative and empathetic involvement in society to transform it.

Education prepares one to face life's challenges by bringing out the best in them. If this is well accepted, education should be relevant to the needs of the time and address contemporary issues. Being inspired by Blessed Kuriakose Elias Chavara, the founder of Carmelites of Mary Immaculate and the pioneer in innovative education, CHRIST (Deemed to be University) was proactive in defining and redefining its mission and strategies reading the signs of the time.

Mission

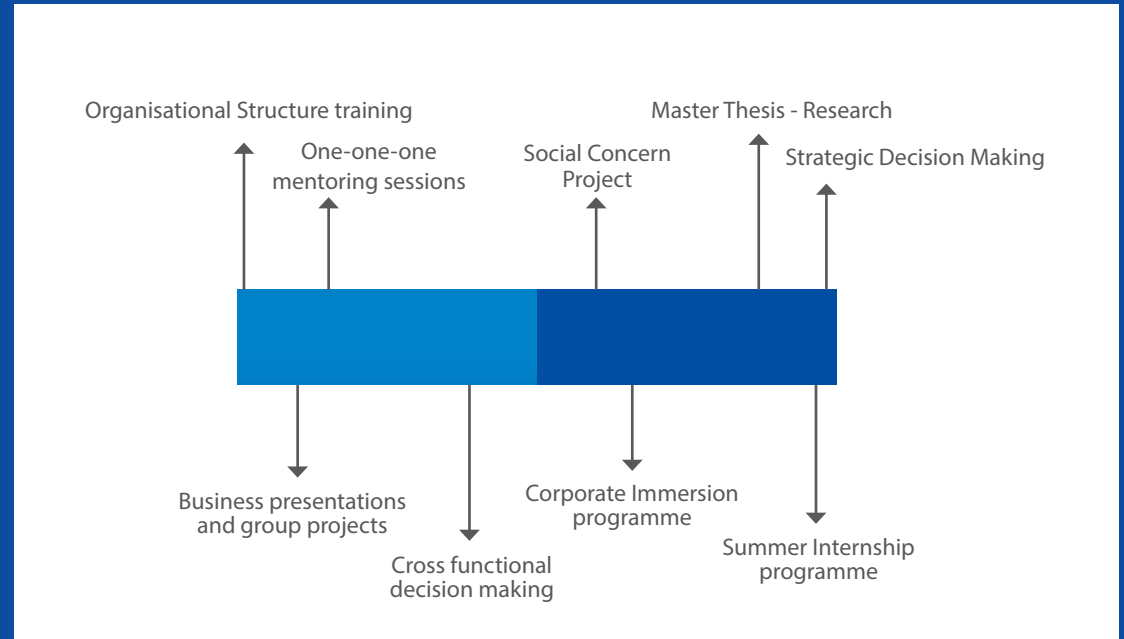

CHRIST (Deemed to be University) is a nurturing ground for an individual's holistic development to effectively contribute to society in a dynamic environment.

Core Values

- Faith in God
- Moral Uprightness
- Love of Fellow Beings
- Social Responsibility
- Pursuit of Excellence

What Makes Us Different?

- Analytical Hub of CHRIST (Deemed to be University)
- Matchless Mentors
- Skill-Based Programs
- Learn from corporate experts
- Warm and Approachable Teachers
- Experiential Teaching Methodologies
- State-of-the-Art Infrastructure
- Academic Excellence
- Calm, Scenic and Harmonious Environment
- Amalgamation of Students from different ethnicity

Our rigorous MBA program changes one into a Business Leader.

A Comprehensive Curriculum

CHRIST (Deemed to be University), Lavasa Pune has pioneered in introducing cutting-edge courses in its MBA program. New courses are added each year, and the curriculum is revised to keep the students up to date with the most recent advancements in management education. CHRIST (Deemed to be University), Lavasa Pune was one of the few colleges to introduce an MBA in Business Analytics. The university offers numerous customised courses to suit the career plans of management students. The Institute has taken steps to ensure that the various educational offerings are up to date and capable of satisfying the changing demands of business organisations and their functional managers. At CHRIST (Deemed to be University), Lavasa Pune, education goes beyond classroom lectures. Through workshops, conferences, events, industry visits, etc., the students achieve a holistic experience of various facets of management.

DIVERSE CAREER OPPORTUNITIES

Our Recruiters

Glorious Alumni

People who graduate from the institute are prepared to handle positions of significant responsibility in the excellent companies in the world, thanks to the academic rigour and exposure to the international and industrial sectors.

Akhil Ramakrishnan

Finance Analyst

I got placed in XL Dynamics as a Finance Analyst under the able guidance and leadership of the Placement Coordinator's Office and Student Placement Committee. The Placement Team ensured that I am totally aware of the recruitment process throughout and provided all around support from the beginning to the end of the placement process. I thank CHRIST (Deemed to be University) Pune Lavasa for my successful beginning of corporate career.

Udisha Sharma

Deputy Manager - Advanced Analytics

I got placed in Yes Bank as Deputy Manager - Advanced Analytics. The placement process at CHRIST (Deemed to be University) Pune Lavasa Campus is extremely systematic and organized. Not only does it entail connecting students with major organizations across India but also constant guidance and support to prepare and polish before the process ensures sure shot selection.

Dennis Valson

Analyst – Strategy and Transaction

I got placed in EY GDS as Analyst – Strategy and Transaction. I would like to thank CHRIST (Deemed to be University) Lavasa Campus for giving me this placement opportunity. I would also like to thank the Placement Coordinator's Office and Student Placement Committee for their help and support throughout the placement process.

Jairaj Bora

Operations Associate

I am selected in BYJU'S as Operations Associate. It was quite an enchanting long experience of 3 rounds where I was tested in the domains of my knowledge, my communication skills and personality. I am truly indebted and very grateful to the Placement Coordinator's Office CHRIST (Deemed to be University) Pune Lavasa for guiding us and extending never ending support throughout the placement process. Being a placement committee member, I have personally witnessed the constant endeavor by the Placement Office to bring in the best opportunities for the talent pool of this University. The training provided by the Campus is relevant to the Industry standards and helps us prepare with necessary skills for every possible job interview scenario.

Tejas Chaturvedi

Management Trainee

Tejas Chaturvedi Batch 2019-

21. I got placed in Bajaj Allianz as a Management Trainee. The Placement Process at Christ (Deemed to be University), Lavasa is very efficient and properly structured. The Placement Coordinator's Office processes the campus hiring efficiently and brings various companies for Final Placements. The Placement Coordinator's Office, CHRIST (Deemed to be University), Pune Lavasa Campus guides us, prepares us and motivates the students for their respective interviews.

Sinnu Kumari

Virtual Acquisition Manager

With the outbreak of Covid-19, we have to switch over to virtual placement drives, which was very new to us as a student. But the Placement Coordinator's Office CHRIST (Deemed to be University) Pune Lavasa provided all the required training, webinars, and guest lectures which helped us in the final interviews. I was a bit anxious about getting a job since December, but with the help of the Placement Coordinator's Office, it was easy to handle and crack the virtual interviews. The office always inspired me and motivated me and I got placed in Axis Bank through Campus Placements as Virtual Acquisition Manager. I am thankful to the Placement Office for creating and providing a platform where students can showcase their talent with different companies.

Isha Khandaka

Business Analyst

As a part of the placement committee, I have witnessed the VUCA environment of Campus Hiring in Pandemic times. But I am very blessed to be a part of CHRIST (Deemed to be University) Pune Lavasa Campus where I got placed in a renowned organization like GENPACT and secured a position of BUSINESS ANALYST through the Campus Placement. I would like to thank my professors for all the guidance, my placement coordinator office for always encouraging us and my fellow christites.

Akanksha Rawat

Management Trainee

I would like to thank Christ (Deemed to be University) Pune, Lavasa Campus for giving me this campus hiring opportunity and being so supportive and helpful throughout the placement process. I would also like to thank the Placement Coordinator's Office, Christ (Deemed to be University) Pune, Lavasa Campus, for constantly bearing with us through these tough Covid times and still managing to bring excellent companies despite the conditions of the job market. I am glad that I have been placed in one of India's top companies as a Management Trainee (PSF COE - PMO), Bajaj Allianz.

Preparation for the CORPORATE WORLD

Organizational Structure Training Program (OST)

The OST program is the first real exposure to the corporate world. This program provides the student with an initial introduction to how the world works. As fresh, budding minds, the students get a headstart on the ways around an organisation, which helps them better affiliate with how it functions. A competition is conducted at the end, which motivates the students further.

Social Concern Project (SCP)

The SCP is undertaken at the end of the first trimester of the MBA program. This project mainly revolves around NGOs and MSMEs, where the students are asked to interact with a corporate mentor. They are given the opportunity to interact with the mentor and organisation as a whole, where they help with the problems that the company is facing. They are asked to suggest various measures to assist with the issues. Students get to build their minds, collect insightful measures, and have a new understanding of the issues faced.

Summer Internship Project (SCP)

At the end of the fourth trimester, each MBA student has to complete a two-month internship project. This is essential for an MBA graduate as this is their first real-life experience of the corporal set-up. During these two months, the students are enlightened about the management world and have a taste of their industry. Each of them is allocated an academic mentor along with their corporate mentor. They have to keep their corporate mentor in a constant loop with the activities happening in the organisation, which helps in managing both times and the responsibilities they are given.

Master Thesis (MT)

The students start working on their master thesis in the third trimester of the MBA program. This is a golden opportunity where the students begin their journey of choosing a topic of their choice and conducting extensive research to be awarded the degree of MBA. The students have to present their papers to their respective mentors, and the students with the highest quality research papers get the chance to have their papers published in reputed journals.

Discover Lavasa

Lavasa is one of India's largest hill stations. It is located in the western mountain ranges of Sahyadri. Lavasa is in the proximity of two major metropolises, Mumbai and Pune. It is part of 25,000 acres of land with an extensive master plan covering half of that area. It is built around the 20 km long Warasgaon Lake. Lavasa is well connected to both Pune and Mumbai.

Envisioned as a complete hill station offering a balanced life in harmony with nature, Lavasa is an inspirational destination for lifestyle seekers. Lavasa is a hub for world-class educational institutions, hospitality and training centres. It is a tranquil space for the mind where learning is a way of life. Lavasa is approximately an hour's drive from Pune (around 65kms) and almost 3.5 hours away from Mumbai (about 200 km), making it well-connected and accessible to India's financial and educational hub.

Modelled after Italy's Portofino, Lavasa is unique in many ways. The promenade and the various eateries and outlets allow the students to indulge in a different experience far removed from the crowd and buzz of city life. Being away from the main Pune city, Lavasa equips students to come-into-their-own, and develop a sense of responsibility and independence. Due to its small area and proximity of places, rest assured Lavasa and its people will soon become family to you, much like the campus, a home away from home in the warmth and friendliness of the people surrounding you.

Amid picturesque mountains and riveting sunsets, Lavasa casts a spell and becomes an escape from the worries of daily life. The serenity and green that surrounds the place is an environment ideal for the studious and the adventurous. The rain showers, cool balmy breeze, and misty mountains will fill the hearts and minds of young Christites with positivity on the sprawling campus. Lavasa is indeed therapeutic to the body and mind.
