Placement Cell

What is Placement Cell

The Placement cell plays a crucial role in locating job opportunities, for students, it plays a major role in helping the students in competitive advantage over peer's objectives.

Benefits Provided:

- Internships by Placement cell
- Improved Skills and knowledge
- Awareness among the students

Department Advantages

Improved Skills and Knowledge:

College placement Cell serves as an outstanding platform for the students to gain specific skills related to their subject of choice or domain to stay ahead of the competition by providing them with live projects, internships that provides adequate corporate exposure. Moreover, an increase in their knowledge about the industry allows them to improve their employability skills in all aspects of the sector and make informed decisions about their future career choices, in short, get job-ready.

Gain Awareness and Experience:

College placement Cells are an excellent opportunity for the students to become aware of the industry and the real-life workspace. They get to know about preparing and presenting CVs, attending interviews, interacting in group discussions, etc. This kind of experience is indeed beneficial in building their personality and will certainly serve useful when facing competency-based job applications or interviews in the future.

Enhanced Employment Prospects:

Campus placement Cells provide the students with a foot in the door opportunity, enabling them to start off their career right after they have completed their course curriculum. Furthermore, they get to interact and engage with the industry professionals during the placement drives, which further help lay a foundation for their prospective career in the future as they familiarize with potential contacts from their chosen career field.

The Placement Cell

The Placement Cell of CHRIST (Deemed to be University) Lavasa, handles campus placement of the students of all our departments.

The Placement Cell provides complete support to the visiting companies at every stage of the placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirement of the visiting companies.

Objectives:

- To organize campus interviews for final year students and summer internship(training) for third year students with industries and reputed business from all over India.
- To prepare students to face campus interviews by arranging training in Aptitude tests, group discussions, preparing for Technical and HR interviews through professional trainers.
- To promote career counselling by organizing guidance lectures by senior corporate personnel.
- Maintaining regular interaction with the industry through Seminars, Guest Lectures, Conferences, Corporate Meets etc
- Providing requisite training to students in the area of Personality Development and Communication Skills
- Collaborate with industry for live projects, Research work, Workshop or any academic alliance, Industrial visit with many industrial organizations.
