THE CREST
OF
CHRIST UNIVERSITY

The Wheel: Two concentric circles make the wheel. It symbolizes harmony between the parts and the whole without which there cannot be any progress.

The Star: The Star has five tails. The tips of the top and the two bottom tails of the Star touch the outer circle of the Wheel whereas the other two tips touch the inner circle. The Star symbolizes the Star of Heaven by which we steer our course through the shoals and eddies of time.

The Flame: A candle is placed in the inner circle in such a way that its flame spreads exactly from the common centre of the Star and the Wheel. The Flame throws light and illumines the surrounding darkness.

The Book: An open book is placed just below the candle on the inner side of the inner circle. It represents knowledge that leads one to excellence.

The Vision: The vision statement, **EXCELLENCE AND SERVICE,** is encrypted in three lines below the book in between the two circles and the lower tails of the star.

The Name: The name **CHRIST UNIVERSITY** is written, both in Kannada and English. Kannada, the official language of the State of Karnataka, symbolizes the roots of the University in the local culture; English, an international language, symbolizes the transcendence of the University.

UNIVERSITY ANTHEM

March on Christites, march on
With heads held high and hearts so strong,
March on Christites, march on
With a steady tread and a cheerful song,
March on Christites, march on

With Excellence our goal
We walk the wheel of time,
Striving for the greatest,
In body, heart and mind.
The flame we hold aloft,
A beacon shining bright,
Leading by example,
Where darkness we bring light.

Service is our Motto
As we strive to change the world,
We seek the book of knowledge,
As life begins to unfurl.
As we go through life,
The star of Heaven our guide,
And though we change with time,
The Christite spirit survives.
